DESIGNER STORY BOOK ALBUM OPTION

You can replace the standard package album with a designer album that holds 24 – 8 x 10's, 16 – 5 x 7's and 12 – 4 x 5's. I will add wallet photos to accent your choices. With this option, we will work together to choose the right combination of images to create a unique album layout. This option is available with all packages except package A.

\$300.00 additional to package price

Each package includes full day coverage with not time limit, from pre-ceremony through the reception, an engagement sitting (includes proofs and 1 – 8 x 10), and 50+ b & w prints. There are no extra charges for candids or travel (unless over 100 miles one way). If none of the packages appeal to you, you can design your own to suit your needs and budget.

A \$300.00 deposit is required with the contract to reserve the date, which is non-refundable if you should cancel. One half of the balance is due four months before the wedding, and the remaining balance is due the day of the wedding. The proofs will be ready about 6-8 weeks after the wedding. If you cancel four months or less from your wedding date, the second payment is non-refundable, and if not already paid will be due for loss of contracted services. No part of any order will be delivered until payment is received in full. Prices are subject to change without notice. Shipping and insurance charges will be added where applicable. ***Please note:*** The finished albums can take anywhere from 3-6 months depending on the current work load of the studio.
